

# SUPPORT MEM SENIOR DESIGN

## Sponsor a Team!

We provide 4-5 talented and motivated MEM graduating seniors to help solve your real design and engineering problems for 9 months; you only need to provide a problem or topic, sponsorship for materials and supplies and co-advicing! Our Senior Design teams have competed in national competitions and traveled internationally to implement & test their projects!

**Fact: MEM Senior Design teams have competed and ranked in the top 3 college-wide consecutively for the past 5 years!**

## As a Senior Design Sponsor you will receive the following benefits:

- Work with students and faculty to custom design a research project that benefits your organization
- Have one-on-one access to potential future employees
- Access to top-notch university facilities and resources through internal rates
- Gain exposure to new research by attending senior design presentations
- Strengthen alumni relations
- Develop mutually beneficial relationships

**For more information please contact: Dr. Bradley Layton, Senior Design Advisor at [layton@coe.drexel.edu](mailto:layton@coe.drexel.edu) or by phone at 215.895.1752**
